

Implementation of a liquidity contract

Ramsay Générale de Santé (Code ISIN: FR0000044471 / Stock symbol: GDS) has entrusted Crédit Industriel et Commercial SA (CIC), with the implementation of a liquidity contract concerning its ordinary shares listed on Euronext Paris as of March 1st 2022, for a period of one year renewable by tacit agreement.

The contract is in accordance with the provisions of the legal framework in force, in particular Regulation (EU) No. 596/2014 of the European Parliament and of the European Council of 16 April 2014 on market abuse (MAR), of the Delegated Regulation Commission (EU) No. 2017/567, Articles L. 22-10-62 et seq. of the French Commercial Code and Decision No. 2021-01 of the French Financial Markets Authority (Autorité des Marchés Financiers- AMF) of 22 June 2021 renewing the introduction of liquidity contracts on equity securities as an accepted market practice (the "AMF Decision") and any other provisions referred to therein.

The following means have been allocated to the liquidity account for the implementation of this contract:

- 200,000 euros
- 5,000 shares

The execution of the liquidity contract may be suspended according to conditions outlined in article 5 of AMF Decision No. 2021-01 of June 22 2021. It may also be suspended at the request of the Company for the period it specifies.

The contract may be terminated by Ramsay Générale de Santé at any time without notice, or by CIC with one month's notice.

CIC may terminate the contract when the Liquidity Provider contract between it and Euronext Paris is terminated.

About Ramsay Santé

After the acquisition of Capio AB Group in 2018, Ramsay Santé has become the leader of the private hospitalization and primary care in Europe with 36 000 employees and 8 600 practitioners serving 9 million patients in our 350 facilities in five countries: France, Sweden, Norway, Denmark and Italy.

Ramsay Santé offers almost all medical and surgical specialties in three business areas: general hospitals (medicine – surgery – obstetric), follow-up care and rehabilitation clinics, mental health. In all its territories, the group contributes to missions of public service and to the territorial sanitary disposal, as for example in Sweden with more than 100 proximity care units.

The quality and security of care is the group's priority. As such our group is today a reference in terms of modern medicine, especially in outpatient care and enhanced recovery.

Every year, the group invests more than €200 million in innovation whether it is in new surgical or imaging technologies, in building or modernizing its facilities... The group also innovates in its organization and digitalization in order to deliver care in a more efficient way to the benefit of the patient.
